## Multiphasic Blood Analysis Registration Form

Registration forms must be postmarked by May 21, 2013. Please call (304) 285-2730 if you have any questions.

The multiphasic is a great value at \$10.

Sign up by completing the form below and returning it with your check payable to Mon General Hospital.

Mon General Hospital Community Wellness  
P.O. Box 1615  
Morgantown, WV 26507

(Check all that apply)

- Multiphasic \_\_\_\_\_ \$10 Don't forget...for the most accurate results, multiphasic participants must fast for 12 hours prior to the screening. Medication may be taken with small sip of water.
- PSA (men only) \_\_\_\_\_ \$10 Thanks to the generosity of the Zelda Stein Weiss Cancer Awareness and Early Detection Project, we will also offer the PSA (Prostate Specific Antigen) screening to men over the age of 50 for an additional cost of \$10. It is recommended that you follow up with your physician, after receiving the results, and schedule a digital rectal exam.
- Thyroid \_\_\_\_\_ \$10 The Thyroid Stimulating Hormone (TSH) is also available for an additional cost of \$10.
- Total Enclosed \$ \_\_\_\_\_ If you are having more than one test, you may write one check for the total amount of all the tests.

These prices are good ONLY on June 1, 2013 at Canaan for the Tucker County Health Fair

You will receive a confirmation letter in the mail and your test results will be mailed to you.

**Informed Consent (Please read and sign):** I allow the agents of Monongalia County General Hospital Company to draw a sample of my blood for testing in the Multiphasic Health Screening and/or Prostate Specific Antigen (PSA) and/or Thyroid Stimulating Hormone (TSH) screening. I understand that these tests are for screening only and, if there are abnormalities, it will be my sole responsibility to seek further evaluation and treatment as recommended. I understand it is not uncommon to experience some bruising (hematoma) at the site where the needle entered my arm for the blood specimen collection. By way of my signature below, I release Monongalia County General Hospital Company, Monongalia Health System, Inc., their respective directors, officers, agents, and employees from liability arising from this blood draw. To avoid bruising, please follow the instructions below:

- Leave the pressure bandage (band-aid) intact for at least 1/2 hour (1 hour if taking blood thinners).
- Avoid heavy lifting or undue strain on involve at the venipuncture site.
- Apply Ice if there is stinging, burning, or bruising at the venipuncture site.

**Notice of Privacy:** I understand that the Monongalia Health System Privacy Notice that describes how my health information may be used for the purpose of treatment and/or payment of health care operations will be available to me at the site of my blood draw.
